

3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. They should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 150 as earnest money and be superscribed "Tenders for the maintenance work of Nittur Major Tank, Register No. 43, Malvalli Taluk," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately, but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer, Bangalore Division, will be final and legally binding.

12. Quotations must be shown in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotations quoted at so much percentage less or more than estimate rate will not be accepted.

13. Any tender containing a conditional clause contrary to these requirements or making stipulations not provided for either in this advertisement or the abstract quantity will summarily be rejected.

Abstract estimate for the maintenance work of Nittur Major Tank, Registered No. 43 of Malvalli Taluk.

K. V. SRINIVASAMURTHI,
Executive Engineer.

MYSORE DIVISION.

Abstract Notification dated 20th July 1934.

The attention of the public is hereby invited to the advertisement in pages 955-957 of the *Mysore Gazette*, dated 26th July 1934, calling for tenders for the work of improving Sree Karivaradaraja Temple at Chamarajnagar, Mysore District.

Notification dated 23rd July 1934.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 2 P.M., on the 20th August 1934, for raising the waste weir of Dundenahalli Puttarasinkere Tank, Register No. 197 of Mandya Taluk. An approximate estimate of quantities

is given below. These quantities are not guaranteed. The work should be completed by the end of June 1935.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore between the hours of 11 A.M. to 5 P.M.

3. Tender should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 150 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for raising the waste weir of Dundenahalli Puttarasinkere Tank, Register No. 197 of Mandya Taluk" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.
